## WALK TO END POLIO (March 20, 2010)

*Past District Governor Linda Coble leads the Walk*

**WALK TO END POLIO WAS A HUGE SUCCESS!** Over 250 Rotarians, families, friends, visitors, Interactors, Rotaractors and members of the Post Polio Network joined together on a beautiful Saturday morning for fun, food, great music and a jaunty walk around Magic Island and Ala Moana Beach Park.

Emcee Sean Hoban, President of the Rotary Club of Honolulu Pau Hana, got everyone off to a roaring start with introductions, instructions, and a blessing by the Reverend George Scott of Punahou School. Tina Yap of the Rotary Club of Metropolitan Honolulu piped the Post Polio Network participants around Magic Island (chicken skin moment) and then the whole group was off and walking (ok - a couple of them ran!) as rock band extraordinaire Puna Rock (a group of Punahou School teachers who would put many professional groups to shame) provided music that really got the blood moving. They played all morning - adding a fantastic party atmosphere to the event. The Rotary Clubs of Honolulu Sunset, Waikiki, and East Honolulu cooked and shared hot dogs, kalbi ribs (yummy!) chicken, salads, brownies, and lots of snacks with all the participants.

Thank you to all the Rotarians who came out and participated and to everyone who made donations and bought bracelets and raised funds. And a big thank you to the Rotary Club of Volcano for setting up a collection table on Saturday and to the Kauai Rotarians who made donations at their District Assembly. With all of us working together, WE WILL ERADICATE POLIO!
